

JSW

This is the base for the horse

These are the bases for the jump

Make your own pony & show jump

You will need:

- Something to colour with
- Scissors
- felt-tips
- pencils
- pens
- paints
- crayons
- Card
- Glue

Follow us on Social Media and tag us in your pictures using the hashtag **#myjswpony**

Instructions:

- Print out this template
- Stick the pony, show jump and stands onto a piece of card. (A cereal box will do nicely!) Stick them onto cardboard and cut out around the edges.
- Decorate your show jumps by colouring them in. Add lots of colour and create your own designs
- Colour in your pony, add extras like tack, coloured saddle pads and bandages, anything you like.
- Make a small cut on the vertical line between the horses legs (see dashes) and the base of the show jumps.
- Cut out the two stands for the jump and the grass stand for your pony

Tip, if you don't have a printer, you can hold a piece of paper on your computer screen and trace the lines with a pencil.
